Wednesday 3rd November 2026

Dear Parents and Carers,

This year, the School Council has set itself a very ambitious challenge. We are raising money to buy a new class read for every class across the school (a copy for each child in the class).

This project supports the first line of our vision statement, "Every Child a Reader." We want every child to enjoy reading, discover new stories and develop a lifelong love of books. To help achieve this, each class has voted for the book they would most like to read together.

Our chosen books are:
Year 1/2 – Harry the poisonous centipede by Lynne Reid Banks - A lively and entertaining story that follows Harry's exciting adventures as he learns about friendship, bravery and the dangers lurking beyond the centipede nest.
Year 3/4 – Harry Potter and the Philosopher's Stone by J.K. Rowling
A magical adventure full of friendship, bravery and wonder that has inspired generations of young readers.
Year 5 – Wolf Siren by Beth O'Brien
An exciting and imaginative story that has swept up awards this year for its powerful themes and unforgettable characters.
Year 6 – Boy vs Reality by James Fox
A funny, relatable and moving story exploring the difference between online fame and real life.

Throughout the year, the School Council will be planning and leading fundraising events to help us reach our goal. We hope everyone will support us as we work towards filling our classrooms with exciting new books for all children to enjoy.
We will keep you updated on our progress and let you know when we have reached our target and purchased the new class readers.

Thank you for your support.

Yours sincerely,

Miss Richardson and The School Council
